the artist is the creator of beautiful things to reveal art and conceal the artist is art s aim the critic is he who can translate into another manner or a new material his impression of beautiful things

in this graphic novel adaptation of oscar wilde s classic story dorian gray hides a monstrous secret in his attic a portrait that ages and shows the results of his hedonistic and selfish lifestyle while he remains ever youthful and handsome

oscar wilde s only novel was first published in 1890 in the july edition of lippincott s monthly magazine and examined the interrelationships between art life and consequence challenging victorian conventions and shocking many readers many reviewers criticized its decadence the call to believe in art for art s sake and its moral ambiguity yet still today it has power to enthrall the very nature of sin explored through the tale of a young man who sells his soul for a lifetime of beauty his debauchery manifest only on his portrait every transgression a blemish or sign of aging in wilde s tale of vanity and self destruction dorian gray is a toxic force of nature the novel building to a sensational conclusion that has inspired a century of writers and filmmakers

the picture of dorian gray is the story of one beautiful innocent young man s seduction moral corruption and eventual downfall we meet our three central characters at the beginning of the book when painter basil hallward and his close friend lord henry wotton are discussing the subject of basil s newest painting a gorgeous young thing named dorian gray basil and henry discuss just how perfectly perfect dorian is he s totally innocent and completely good as well as being the most beautiful guy ever to walk the earth lord henry wants to meet this mysterious boy but basil doesn t want him to for some reason he s afraid of what will happen to dorian if lord henry digs his claws into him however lord henry gets his wish dorian shows up that very afternoon and over the course of the day henry manages to totally change dorian s perspective on the world from that point on dorian s previously innocent point of view is dramatically different he begins to see life as lord henry does as a succession of pleasures in which questions of good and evil are irrelevant basil finishes his portrait of dorian and gives it to the young man who keeps it in his home where he can admire his own beauty lord henry continues to exert his influence over dorian to basil s dismay dorian grows more and more distant from basil his former best friend and develops his own interests one

of these interests is sybil vane a young exceptionally beautiful exceptionally talented and exceptionally poor actress though she is stuck performing in a terrible third rate theatre she is a truly remarkable artist and her talent and beauty win over dorian he falls dramatically in love with her and she with him for a moment it seems like everything will turn out wonderfully however this is just the beginning of dorian's story once he and sybil are engaged her talent suddenly disappears she is so overcome with her passionate love for dorian that none of her roles on stage seem important to her anymore this destroys dorian's love for her and he brutally dumps her back home he notices something different in his portrait it looks somehow crueler in the meanwhile the distraught sybil commits suicide just as dorian decides to return to her and take back his terrible words sybil's suicide changes everything at first dorian feels horrible but he rather quickly changes his tune on lord henry's suggestion dorian reads a mysterious yellow book a decadent french novel that makes him reevaluate his whole belief system the protagonist of the book lives his life in pursuit of sensual pleasures which intrigues dorian from this moment on dorian is a changed man dorian starts to live as hedonistically as his wicked mentor lord henry does the only thing that documents this turn for the worst is the portrait which alarmingly begins to exhibit the inward corruption of dorian's soul the beautiful image changes revealing new scars and physical flaws with each of dorian's dastardly actions as years pass the man in the picture grows more and more hideous as dorian himself stays unnaturally young and beautiful rumors start to spread about the various people whose lives dorian has ruined and his formerly good reputation is destroyed on dorian's 38th birthday he encounters basil who desperately asks his former friend if all the horrifying rumors about him are true dorian finally snaps and shows basil the portrait in which the horrible truth about his wicked nature is revealed basil recoils and begs dorian to pray for forgiveness in response dorian murders basil stabbing him brutally he blackmails another of his former friends into disposing of the body dorian retreats to an opium den after dealing with all of the evidence where he encounters an enemy he didn't know he had sybil vane's brother james through a rather complicated turn of events james who is on a mission to punish
